Introduction

This is a report on the PP4, Chamber of Economy of Montenegro, Staff capacity building, implemented within A.T3.1 Training and Mentoring activities for CCIs employees.

Within the BRE project two platforms were developed:

1. BRE Partner Query Platform, developed by the Lead Partner Chamber of Commerce and Industry, Tirana, and
2. Software solution for Montenegrin Business Registry developed by the Chamber of Economy of Montenegro, PP4.

The later was developed in conjunction with the external expertise contract “Software solution for Montenegrin Business Registry” (Tender ref. 060-675).

Manuals

1. Chamber of Economy of Montenegro translated the Manual related to the BRE Query Platform, developed by the Lead Partner Chamber of Commerce and Industry, Tirana
2. The external expert "SMART TECH" provided User Manual for Montenegrin Business Registry Software Solution (hard copy, electronic version and Video).

Trainers

The PP4 team was introduced to the functionalities of the BRE Partner Query Platform, by the Lead Partner and external experts they engaged, at the Steering Committee meeting in Tirana. Ms Nada Rakočević, Technical Staff - Testing phase was engaged in the development of the Software solution for Montenegrin Business Registry and received ongoing training during the development phase, while the final phase of the training was provided to the PP4 Team by Ms Nada Rakočević, Technical Staff - Testing phase and Mr Stevo Baćović from "SMART TECH" company.

Trainees

The training was delivered to:

Ms Tanja Radusinović, Project Manager

Mr Stefan Jovanović, Technical Staff - Coordination

Marija Raspopović, Technical Staff - Communication

Training Content

At the training, functionalities of both platforms were presented in details, as well as procedures and risks associated with proper maintenance and personal data protection.

The final phase of the training was delivered on 12/07/2021 online via Microsoft Teams.
